

Medical Status

Parents/guardians should notify the school nurse if a child is on any medication (ADHD, etc.) or has any chronic illness or allergies (asthma, insect bites, foods, etc.).

If your child's medical status has changed (new medications, allergies, illness, immunizations, etc.), please let me know so I can update his or her records.

See "Medical Forms" for: [Asthma Treatment Plan and Self Administration of Medication \(if age appropriate\)](#)
[Allergy Emergency Care Plan and Epi-Pen Permission](#)
[Seizure Action Plan](#)
[Medication Administration Permission](#)
(cough drops, tylenol, benadryl, prescription medication, etc.)
