0162 NOTICE OF BOARD MEETINGS

The Board of Education will give notice of all meetings in accordance with law.

Adequate Notice

The Board Secretary shall provide written advance notice of at least forty-eight hours, giving the time, date, location and, to the extent known, the agenda of any regular, special, or rescheduled meeting, which notice shall accurately state whether formal action may or may not be taken and which shall be prominently posted in at least one public place reserved for such or similar announcements; mailed, telephoned, telegrammed, or hand delivered to at least two newspapers which newspapers shall be designated by the public body to receive such notices because they have the greatest likelihood of informing the public within the area of jurisdiction of the public body of such meetings, one of which shall be the official newspaper, where any such has been designated by the public body or if the public body has failed to so designate, where any has been designated by the governing body of the political subdivision whose geographic boundaries are coextensive with that of the public body; and filed with the clerk of the municipality when the public body's geographic boundaries are coextensive with that of a single municipality, with the clerk of the county when the public body's geographic boundaries are coextensive with that of a single county, and with the Secretary of State if the public body has Statewide jurisdiction. Where annual notice or revisions thereof in compliance with N.J.S.A. 10:4-6 et seq., the Open Public Meetings Act, set forth the location of any meeting, no further notice shall be required for such meeting.

In accordance with N.J.S.A. 10:4-9, upon the affirmative vote of three-quarters of the members present, the Board may hold a meeting notwithstanding the failure to provide adequate notice if:

1. Such meeting is required in order to deal with matters of such urgency and importance that a delay for the purpose of providing adequate notice would be likely to result in substantial harm to the public interest; and
2. The meeting is limited to discussion of and acting with respect to such matters of urgency and importance; and
3. Notice of such meeting is provided as soon as possible following the calling of such meeting by posting written notice of the same in the public place described in N.J.S.A. 10:4.8.d., and also by notifying the two newspapers described in N.J.S.A. 10:4.8.d. by telephone, telegram, or by delivering a written notice of same to such newspapers; and

Notice of Board Meetings

4. Either the public body could not reasonably have foreseen the need for such meeting at a time when adequate notice could have been provided or although the public body could reasonably have foreseen the need for such meeting at a time when adequate notice could have been provided, it nevertheless failed to do so.

Personal Notice of Meeting

In accordance with the provisions of N.J.S.A. 10:4-12.b.(8), the Board may exclude the public from that portion of a meeting at which the Board discusses any matter involving the employment, appointment, termination of employment, terms and conditions of employment, evaluation of the performance of, promotion, or disciplining of any specific prospective public officer or employee or current public officer or employee employed or appointed by the Board, unless all the individual employees or appointees whose rights could be adversely affected request in writing that the matter or matters be discussed at a public meeting.

The Board will provide notice to the affected person that will include the date and time of the closed session meeting, the subject or subjects scheduled for discussion at the closed session meeting, and the right of the affected person to request that the discussions be conducted at a public meeting. Such notice will be given no less than forty-eight hours in advance of the closed session meeting.

A written request for public discussion must be submitted to the Board Secretary prior to the commencement of the meeting. Any such properly submitted request will be granted. In the event that one or more, but fewer than all, of a group of persons whose employment will be discussed request a public meeting, the discussion regarding the person or persons who have submitted the request will be severed from the rest and will be conducted publicly.

A discussion held in public by reason of the written request of an individual will be conducted at a regularly scheduled meeting for which annual notice has been given or at a meeting for which adequate public notice has been given in accordance with law.

Nothing in this Bylaw will permit an employee to request or the Board to grant the public discussion of tenure charges or permit the public disclosure of information regarding a student.

0166 EXECUTIVE SESSIONS

The Board of Education may meet in a private session only to discuss and act on issues exempted by law from the requirement that all Board meetings be public and only after the adoption at a public meeting of a resolution stating the general nature of the subject or subjects to be discussed and, as precisely as possible, the time when and circumstances under which the discussion conducted in private session can be disclosed to the public.

The Board may exclude the public only from that portion of a meeting at which the Board discusses:

1. Any matter that has been rendered confidential by express provision of Federal or State law or rule of court;
2. Any matter in which the release of information would impair a right to receive funds from the Government of the United States;
3. Any material the disclosure of which constitutes an unwarranted invasion of a student's privacy, including but not limited to records, data, reports, or recommendations relative to the student's personal and family circumstances, treatment, progress or condition, unless the adult student or the student's parent(s) or legal guardian(s) requests in writing that the same be disclosed publicly;
4. Any Collective Bargaining Agreement, or the terms and conditions that are proposed for inclusion in any Collective Bargaining Agreement, including the negotiation of the agreement with school district employees or representatives of employees;
5. Any matter involving the purchase, lease, or acquisition of real property with public funds or the investment of public funds, where it could adversely affect the public interest if discussion of such matters were disclosed;
6. Any tactics and techniques utilized in protecting the safety and property of the public when their disclosure could impair such protection and any investigations of violations or possible violations of the law;
7. Any pending or anticipated litigation or contract negotiation other than as stated in #4 in which the Board is or may become a party and any matters falling within the attorney-client privilege, to the extent that confidentiality is required in order for the attorney to exercise his/her ethical duties as a lawyer;

Executive Sessions

8. Any matter involving the employment, appointment, termination of employment, terms and conditions of employment, evaluation of the performance of, promotion or disciplining of any specific prospective public officer or employee or current public officer or employee employed or appointed by the Board, unless the individual employees or appointees whose rights could be adversely affected request in writing that such matter or matters be discussed at a public meeting, except that, regardless of the employee's request, the consideration and actions of the Board as to any tenure charge shall be conducted in private session;
9. Any deliberations occurring after a public hearing that may result in the imposition of a specific civil penalty upon the responding party or the suspension or loss of the responding party's certification as a result of an act or omission for which the responding party bears responsibility.

Recording Board Meetings

0168 RECORDING BOARD MEETINGS

The Board of Education directs the creation and maintenance of an official record of the formal proceedings of the Board and will permit the unofficial recording of Board meetings in accordance with this Bylaw.

Minutes

The Board shall keep reasonably comprehensible minutes of all its meetings showing the time and place, the members present, the subject considered, the actions taken, the vote of each member, information sufficient to explain the actions taken, and any other information required to be shown in the minutes by law.

Minutes of public meetings shall be public records signed by the Board Secretary and filed in the Board Secretary's office in a minute book as the permanent record of the acts of this Board.

Minutes of executive meetings shall be filed in the Board Secretary's office in a place separate from the minute book until the time, if any, when the proceedings may be made public. At that time, the minutes shall be public records and shall be filed in the regular minute book.

The Board Secretary shall provide each Board member with a copy of the minutes prior to Board approval.

Recording by the Public

A member of the public may record the proceedings of a public meeting of the Board provided the audio or video recording process complies with reasonable guidelines as outlined in this Bylaw. These guidelines are adopted to ensure the recording of the public meeting does not interrupt the proceedings, inhibit the conduct of the meeting, or distract Board members or other observers present at the meeting.

The Board will permit the use of audio or video recording devices by members of the public to record public meetings.

Prior notice to audio or video record a public meeting is not required provided the person operates the recording device while sitting in the area designated by the Board for public seating. The recording of a meeting from this area shall not obstruct or distract any member of the public from observing and listening to the proceedings of the meeting. If the recording is obstructing the view or is distracting to members of the public, the presiding officer or designee will require the person recording the meeting to relocate to another area of the meeting room.

Recording Board Meetings

In the event a member of the public wants or needs to audio or video record a public meeting from an area other than the area designated for public seating, the person shall provide notice of such request to the Board Secretary in advance of the meeting. The Board Secretary or designee shall review the recording guidelines outlined in this Bylaw with the person requesting to record the meeting.

Any member of the public wanting to use a recording device from an area other than the area designated for public seating must be located and operated from inconspicuous locations in the meeting room as determined by the presiding officer or designee. Prior to the meeting, the presiding officer or designee will determine the location of each recording device so each video recording device can record the meeting with an unobstructed view and each audio recording device can record a meeting so the speakers and meeting proceedings can be properly recorded. The location of any recording device operated from an area other than the area designated for public seating will be in an area of the meeting room that is not distracting or obtrusive to Board members, members of the public, or the orderly operation of the meeting. Any recording device used outside the area designated for public seating shall be located within a similar distance from the Board as the public seating area. The presiding officer or designee shall determine when the number of recording devices used outside the area designated for public seating interferes with the conduct of a Board meeting and may order that an interfering recording device be removed or relocated.

Additional lighting shall not be used unless approved by the presiding officer or designee prior to the meeting. All recording devices and any related equipment must be battery operated or operational without the use of district electricity as the district will not permit such equipment to be connected to the school district's electrical service.

The presiding officer or designee shall determine if a recording device interferes with the conduct of a Board meeting and may order that an interfering device be relocated.
