The accountant must have an external peer/quality report performed in accordance with N.J.A.C. 6A:23A-16.2(i)1, unless the accountant or firm can show good cause as to why there was a delay completing such report within the required timelines established by Government Auditing Standards issued by the Comptroller General of the United States. The Board will require the submission of the most recent external peer/quality report for review and evaluation prior to the appointment of the licensed public school accountant. The Board will acknowledge the receipt, review, and evaluation of the external peer/quality report in the public session and Board minutes in which the accountant or firm to perform the audit is engaged.

The Board will require the submission of an updated external peer/quality report of the accountant within thirty days after the issuance date of the external peer/quality report if the report is issued prior to the date of the audit opinion for the most recent fiscal year.

The Board shall engage a public school accountant during the audit engagement period for non-auditing, management, or other consulting services only if such services comply with the independent standards as established in Government Auditing Standards (Yellow Book) by the Comptroller General of the United States.

The Board may be prohibited for good cause by the Commissioner of Education from engaging a particular licensed public school accountant, or may be directed by the Commissioner on a process to be used in the appointment of a licensed public school accountant pursuant to N.J.A.C. 6A:23A-16.2(i)4.
