

5200 ATTENDANCE

In accordance with the provisions of N.J.S.A. 18A:38-25, every parent or other person having control and custody of a child between the ages of six and sixteen shall cause the child to regularly attend school. The Board of Education requires students enrolled in the school district attend school regularly in accordance with the laws of the State.

For the purpose of this Policy and Regulation 5200, “parent” means the natural parent(s), adoptive parent(s), legal guardian(s), resource family parent(s), or surrogate parent(s) of a student. When parents are separated or divorced, “parent” means the person or agency who has legal custody of the student, as well as the natural or adoptive parent(s) of the student, provided parental rights have not been terminated by a court of appropriate jurisdiction.

Notwithstanding the requirement of reporting student absences in the school register for State and Federal reporting purposes, “excused” and “unexcused” student absences, for the purpose of expectations and consequences regarding truancy, student conduct, promotion, retention, and the award of course credit is a Board decision outlined in N.J.A.C. 6A:16-7.6 and Policy and Regulation 5200. In accordance with the provisions of N.J.A.C. 6A:16-7.6 and for the purposes of Policy and Regulation 5200, a student’s absence from school will either be excused or unexcused. Unexcused absences will count toward truancy.

A parent or adult student shall provide advance notice to the school prior to the student being absent from school. In accordance with N.J.S.A. 18A:36-25.6, if a student is determined to be absent from school without valid excuse, and if the reason for the student’s absence is unknown to school personnel, the Principal or designee shall immediately attempt to contact the student’s parent to notify the parent of the absence and determine the reason for the absence.

Students that are absent from school for any reason are responsible for the completion of assignments missed because of their absence. In accordance with N.J.S.A. 18A:36-14, a student who is absent from school for observing a religious holiday shall not be deprived of any award, eligibility, or opportunity to compete for any award, or deprived of the right to take an alternate test or examination that was missed because of the absence provided there is a written excuse of such absence signed by the parent.

Prolonged or repeated absences, excused or unexcused, from school or from class, deprive students of the educational and classroom experiences deemed essential to learning and may result in retention at grade level

Attendance

Students shall be subjected to the school district's response for unexcused absences that count toward truancy during the school year as outlined in N.J.A.C. 6A:16-7.6(a)4. and Regulation 5200.

Unexcused absences from school or from classes within the school day may subject a student to consequences that may include the denial of a student's participation in co-curricular activities and/or athletic competition. Repeated absences from school interfere with efforts of the Board and its staff in the maintenance of good order and the continuity of classroom instruction and such absences may result in the removal of the student from a class or course of study.

The Superintendent shall calculate and monitor the average daily attendance rate for the school. Whenever the average daily attendance rate does not meet the New Jersey Department of Education requirements the Superintendent or designee shall develop a district improvement plan to improve student attendance pursuant to N.J.A.C. 6A:30-5.2.

1. School Register (N.J.A.C. 6A:32-8.1)

- a. The Board of Education shall carefully and accurately track enrollment and attendance of all students in a manual school register format or in an electronic format of the school district's choosing.
- b. The Commissioner will issue and publish on the Department's website guidance for recording student attendance in all public schools of the State operated by district Boards of Education, except adult high schools.
- c. Student attendance shall be recorded in the school register during school hours on each day in session, pursuant to N.J.A.C. 6A:32-8.3. An employee designated by the Superintendent shall keep in the school register, attendance of all students, and shall maintain the attendance records in accordance with N.J.A.C. 6A:32-8 and the guidance at N.J.A.C. 6A:32-8.1(c) and A.1.b. above.
- d. A student who has been placed on home instruction shall have their attendance status recorded on the regular register for the program in which the student is enrolled. The student shall be marked absent for the period beginning the first day the student is unable to attend school and ending the day before the first instructional day at the student's place of confinement. Absences shall not be recorded for the student while on home instruction, provided the hours of instruction are no less than required by N.J.A.C. 6A:14-4.8 and 4.9 and 6A:16-10.1 and 10.2. The number of possible days in membership for a student on home instruction shall be the same as for other students in the program in which the student is enrolled.
 - (1) "Days in membership" means the number of school days in session in which a student is enrolled. A student's membership begins on the first possible day of attendance following enrollment during the school year, notwithstanding the actual day the student was recorded as present for the first time.

2. Day in Session (N.J.A.C. 6A:32-8.3)

- a. A day in session shall be a day on which the school is scheduled to provide instruction and students are under the guidance and direction of a teacher(s) engaged in the teaching process. A day on which school is closed for reasons such as holidays and teachers' institutes, or inclement weather not under conditions set forth at N.J.A.C. 6A:32-13, shall not be considered a day in session.
 - b. A day in session shall consist of not less than four hours, exclusive of recess and lunch periods, except that one continuous session of two and one-half hours may be considered a full day in Kindergarten.
3. Student Attendance (N.J.A.C. 6A:32-8.4)
- a. For all State attendance submissions, a student shall be recorded as present, absent, or excused for a State-excused absence, pursuant to N.J.A.C. 6A:32-8.4(e) and A.3.e. below, on every day the school is in session after the student enrolls until the date the student is transferred to another school or officially leaves the school district.
 - b. A record of attendance of all students shall be kept in accordance with N.J.A.C. 6A:32-8.1(c) and A.1.b. above. The employee designated by the Superintendent shall keep the attendance records according to N.J.A.C. 6A:32-8 and the guidance issued by the Commissioner in accordance with N.J.A.C. 6A:32-8.1(c) and A.1.b. above.
 - c. A student enrolled in a school shall be recorded in the school register as present if the student participates in instruction or instruction-related activities for at least half a day in session whether the student is physically on school grounds, at an approved off-grounds location, or in a virtual or remote instruction setting, pursuant to N.J.A.C. 6A:32-13.
 - d. A student enrolled in a school who is not participating in instruction or instruction-related activities pursuant to N.J.A.C. 6A:32-8.4(c) and A.3.c. above shall be recorded in the school register as absent, unless the student is recorded as a State-excused absence, pursuant to N.J.A.C. 6A:32-8.4(e) and A.3.e. below.
 - e. State-excused absences shall be as follows:
 - (1) Religious observance, pursuant to N.J.S.A. 18A:36-14, 15, and 16.

- (a) The Commissioner, with approval of the State Board of Education, shall annually prescribe a list of religious holidays on which it shall be mandatory to excuse students for religious observance upon the written request signed by the parent or person standing in loco parentis;
 - (2) Participation in observance of Veterans Day, pursuant to N.J.S.A. 18A:36-13.2;
 - (3) Participation in district board of election membership activities, pursuant to N.J.S.A. 18A:36-33;
 - (4) Take Our Children to Work Day; and
 - (6) Closure of a busing school district that prevents a student from having transportation to the receiving school.
 - f. For absences that do not meet the criteria at N.J.A.C. 6A:32-8.4(e) and A.3.e. above, the Board may adopt policies that establish locally approved or excused absences consistent with N.J.A.C. 6A:16-7.6 for the purposes of expectations and consequences regarding truancy, student conduct, promotion, retention, and the award of course credit. However, an absence designated as excused by the Board pursuant to N.J.A.C. 6A:16-7.6 shall be considered as an absence in the submission to the State for the purpose of chronic absenteeism reporting, as set forth at N.J.A.C. 6A:32-8.6.
4. Average Daily Attendance (N.J.A.C. 6A:32-8.5)
- The average daily attendance rate in a district school or program of instruction for a school year shall be the total number of the days present of all enrolled students, divided by the number of days in membership of all enrolled students. The student average daily attendance means the total number of days that a student is present in the school divided by the total possible number of days in session.
5. Absentee and Chronic Absenteeism Rates (N.J.A.C. 6A:32-8.6)

- a. A student's absentee rate shall be determined by subtracting the student's total number of days present from the student's days in membership and dividing the result by the student's days in membership.
 - (1) State-excused absences shall not be included in a student's days in membership for purposes of calculating a student's absentee rate.
- b. If a student's absentee rate is equal to or greater than ten percent, the student shall be identified as chronically absent.
- c. Each school with ten percent or more of its enrolled students identified as chronically absent shall develop a corrective action plan to improve absenteeism rates. In accordance with N.J.S.A. 18A:38-25.1, the school will annually review and revise the corrective action plan and present the revisions to the Board, until the percentage of students who are chronically absent is less than ten percent.

B. Unexcused Absences That Count Toward Truancy/Excused Absences for Board Policy

- 1. Notwithstanding the requirement of reporting student absences in the school register for State and Federal reporting purposes, "excused" and "unexcused" student absences for the purpose of expectations and consequences regarding truancy, student conduct, promotion, retention, and the award of course credit is a Board decision outlined in Policy 5200 and this Regulation.
- 2. N.J.A.C. 6A:16-7.6(a)3 requires the Board of Education policies and procedures contain, at a minimum, a definition of unexcused absence that counts toward truancy, student conduct, promotion, retention, and the award of course credit.
 - a. "An unexcused absence that counts toward truancy" is a student's absence from school for a full or a portion of a day for any reason that is not an "excused absence" as defined in B.2.b. below.
 - b. "An excused absence" is a student's absence from school for a full day or a portion of a day for the observance of a religious holiday pursuant to N.J.S.A. 18A:36-14 through 16, or any absence for the reasons listed below:
