

Dear Laurel Springs Elementary Families and Community,

Welcome to an exciting new school year at Laurel Springs Elementary School! As your Interim Principal, I am honored to join this incredible community. Over my 32 years in education—serving as an English teacher, coach, club advisor, alternative school principal, vice principal, and principal—my passion has always been guiding students toward personal and academic excellence.

This year, our schoolwide theme is **"Wild About Learning!"** We are ready to channel our inner Laurel Springs Dragons, bringing energy, curiosity, and determination to every classroom. While we unleash our enthusiasm for discovery, our core compass remains grounded in the Laurel Springs School Mission Statement. Together with the support of our tight-knit community, we are dedicated to providing quality educational experiences within our unique environment to help our children grow into well-rounded, responsible members of society.

We remain committed to maintaining our traditional core values while striving to attain and surpass all New Jersey educational standards. Above all, our focus is on student achievement and instilling a true appetite and joy for lifelong learning.

A strong partnership between home and school is the foundation of student success. Parents, guardians, and community members are our most valued partners in this journey. When we work together, our Dragons thrive.

My door is always open. Please feel free to reach out if you have questions, ideas, or simply want to connect. Let's make this a wild, wonderful, and unforgettable year!

Warm regards,
