October 19, 2026

Dear Parents and Guardians,

I am so excited to officially start my journey as the Vice Principal of Laurel Springs School. I am looking forward to working closely with you to help all of our children have a dynamic educational experience.

Over the past sixteen years I have worked in elementary schools as a first grade, second grade, third grade, and a basic skills teacher. I am very passionate about leadership, which led me to obtain my principal certification. Lifelong learning experiences have been essential for my own personal growth and it is something I will continue to promote as your Vice Principal.

I believe in open communication, collaboration, and building relationships. I am looking forward to getting to know all of you and to hear about your vision for the future of Laurel Springs School. It is important that we all work together in order to do what is best for all of the students in the district.

I want to take a moment to thank Mrs. Lacovara for guiding me as I begin this role. She has been a great asset for the whole community and her leadership has inspired me and modeled what it means to be an administrator.

I look forward to meeting everyone at Family Literacy night and the HSC sponsored ice cream social on November 10th. In the meantime, use this link to get to know me a little bit better.

In Partnership,

Mrs. Laurie Ann Hayes
